Academic Integrity/Plagiarism

— What is Plagiarism?

— What is TurnItIn?

— What training is available?

What is Plagiarism?

Plagiarism is interpreted by the University as the act of *presenting the work of others as ones own work, without acknowledgement.* Plagiarism is considered academic fraudulent, and an offence against University discipline. The University considers plagiarism to be a major offence, and subject to disciplinary procedures of the University. The University's full statement on plagiarism is set out in the University *Calendar*, Part I, 'General Regulations and Information', II, *Academic progress*, p63 - p71.

Back to top

What is TurnItIn?

CAPSL maintains a license agreement with *nLearning Ltd* for the purpose of using their product TurnItIn so all Trinity Staff have access to the Turnitin Service and can make this available to their students.

TurnItIn is the standard in online plagiarism prevention. It Instantly identifies papers containing unoriginal material from over 40 Million Student Papers, 12 Billion Web Pages, over 10,000 newspapers, Magazines & Scholary journals and Thousands of Books. Turnitin allows educators to check students' work for academic integrity by searching for improper citation or potential plagiarism by comparing it against continuously updated databases using the industry's most advanced search technology. Every Originality Report provides instructors with the opportunity to teach their students proper citation methods as well as to safeguard their students' academic integrity. Turnitin is also web Based so compatability between different computers and operating systems isn't a problem.

To get started, create a student account and login with the class id and class enrollment password given to you by your lecturer. Use your tcd email address when creating the account.

Back to top

What training is available?

Turnitin have a get started section on their website which has a series of tutorials, resources and manuals.

Create a New Student Account

Class ID Information

All students must be enrolled in an active class. To enroll in a class, please enter the class ID number and class enrollment password that you were given by your instructor.

Please note that the password and pincode are case-sensitive. If you do not have this information, or the information you are entering appears to be incorrect, please contact your instructor.

Enter class ID and class enrollment password

Class ID

6310178 ✓

Class enrollment password

6891querty ✓

User Information

Your first name

Your last name

Email address

Password and Security

Follow the rest of the instructions on the page

Please keep in mind that your password is case sensitive (for example, paSS123 would be different than pass123), must be 6-12 characters long, and contain at least one letter and one number (for added security).

Enter an email address and password you can easily remember. Please write down your email address and password for future reference.

Enter your password

Confirm your password

Next, please enter a secret question and answer combination. You will be asked for this combination if you ever forget your password and need to reset it.

NOW VIEWING: HOME > ECONOMETRICS

Welcome to your new class homepage! From the class homepage you can see all your assignments for your class, view additional assignment information, submit your work, and access feedback for your papers.

Hover on any item in the class homepage for more information.

Class Homepage

This is your class homepage. To submit to an assignment click on the "Submit" button to the right of the assignment name. If the Submit button is grayed out, no submissions can be made to the assignment. If resubmissions are allowed the submit button will read "Resubmit" after you make your first submission to the assignment. To view the paper you have submitted, click the "View" button. Once the assignment's post date has passed, you will also be able to view the feedback left on your paper by clicking the "View" button.
